“Very ripe, Port-like flavors and a big but soft presence on the palate give a bold personality to this full-bodied wine. It's deep and concentrated in berry and raisin flavors that are layered and delicious, squeezing dark chocolate and mint between them.” J.G. 3/1/18

This tasty wine has vivid cherry, strawberry, candy like aromas and flavors. Medium bodied, it offers a mouthfeel that's almost syrupy, a balance that's slightly sweet and an easy-drinking texture. Try it with Pasta with marinara, calzones, grilled meats and lasagna. A delicious wine with BBQ.
