2015 ALIGOTE

“Lovers of white Burgundy know that this otherwise obscure variety can be very good and was rightly singled out as the one white variety other than Chardonnay that can be sold under the “Bourgogne” name. This rendition shows lots of peachy aromas and flavors with a tangerine undertone and some lift and freshness... A Double Gold award winner at the 2018 Toast of the Coast Wine Competition.” M.F. 2/27/2018
