**2017 STEELE
VIOGNIER**

“Jed Steele’s 2017 Viognier is truly an outstanding example of what Viognier can be when the grapes are properly grown and the wine is made with care and expertise... The texture here is perfectly light and brisk, and the flavors (floral and fruity, with hints of honey and minerality) are engaging. Bravo, Jed Steele.” M.T. 12/4/18
