Bien Nacido
Pinot Noir

The wines from Bien Nacido are deeper, richer, and full bodied. Our aging program is always in heavily toasted French oak. This vineyard, produces a wine with aromas of cherry, black berry, clove and new leather, and flavors of dusty cocoa, Bing cherry, and currant. With its balance of acidity and a finish that lingers of sweet tobacco and spices, this wine is always elegant and alluring. Pair with pan-seared duck breast or enjoy on its own!
