

2013
Sangiacomo
Pinot Noir

We have worked with the Pinot Noir from Sangiacomo vineyard since our first vintage in 1991. Each year we choose the best lots and produce a single vineyard bottling. This is a beautiful and consistent expression of Pinot Noir: medium color and the aroma of Bing cherries, combine with a smooth structure and perfect balance. Of the many Pinots we make this is the lightest and brightest with an unmatched elegance, and lingering finish.
