

2013 Catfish Vineyard Zinfandel

Catfish Vineyard was planted in 1901 and is head pruned and self-rooted. Steele Wines purchased the vineyard in 2000 and we have rehabilitating the old vines since. Catfish Vineyard Zinfandel, is a field blend of a number of additional varieties, including carignan, alicante bouschet, cabernet sauvignon, petite sirah, and cinsault. Enjoy with pasta, leg of lamb or on the deck at sunset with a cool breeze blowing.
