

2013 Blue Franc

Unlike other Steele wines, Blue Franc receives very little oak aging. Some liken our Blue Franc to Pinot Noir in lighter years or a top-flight Gamay from Beaujolais. The wine is clean, crisp, and unpretentious with tons of fruit, including warm berry pie, traces of pepper, almond, cherry and cinnamon. Our Shooting Star Blue Franc has soft tannins, medium body, and is the perfect red wine to enjoy over the summer with any festive occasion.
