

2013 Merlot

Lake County has always been a great spot for Merlot and this wine shows why. More structured and denser than a typical Merlot, we age this wine in barrel for 8 months. The wine has aromas of black fruits, cherry, with slight earthiness and spice. Flavors are of ripe plum and cassis, finishing with a bit of oak to round out the tannins. Serve with grilled Italian sausage, baked pasta such as lasagna, or a home made hamburger.
