

**2014
Tempranillo**

Our 2014 Tempranillo is a small production (95 cases) wine from an incredible vineyard located in the newly created Kelsey Bench AVA, our estate Silva vineyard. This is the first vintage from these newly grafted vines. Our winemaking for red wines uses warm fermentation followed by pressing and racking. The wine is aged for 18 months in barrel to produce a smooth, velvety wine with notes of dark red fruit and tobacco.
